

## **Skilled Craftsman Wanted – Classic Wooden Boat Restoration (Minnesota)**

A rare opportunity to work hands-on in the restoration of a **1936, 35-foot Chris-Craft Double Cabin Cruiser, Gloria Mae**. We're seeking a skilled craftsman — ideally with experience in woodworking, carpentry, or boatbuilding — to assist in the next stages of a traditional wooden boat restoration.

**About the Project: Gloria Mae is a 1936 Chris-Craft Double Cabin Cruiser** currently under full restoration in a professional indoor shop in Minnesota. The frames are complete, and the next stages include:

- \* Chine replacement
  - \*Stem and transom repair
  - \* Hull planking and fairing
  - \*Deck and cabin restoration
- And more...

**Ideal Skills:** General woodworking, joinery, or marine carpentry experience. Familiarity with traditional hand and power tools. Understanding of classic boat construction and restoration methods **Attention to detail, patience, and pride in craftsmanship**

**Project Details:** Heated indoor shop with tools and materials on site Paid position — hourly or contract (negotiable based on experience) Flexible schedule Local candidates preferred, but open to qualified individuals willing to relocate. If you're a hands-on craftsman who values traditional methods and wants to take part in restoring a true piece of maritime history, reach out to learn more.
